REIGN OF POPE JOHN XXIII

The Crusaders' Theme Song

For Christ The King

An Army of Youth Flying the standards of Truth,
We're fighting for Christ, the Lord.
Heads lifted high, Catholic Action our cry,
And the Cross our only sword.
On earth's battle field Never a vantage we'll yield
As dauntlessly on we swing.
Comrades true, dare and do 'Neath the Queens white and blue,
For our flag, for our faith, For Christ the King.

Christ lifts His hands, The King commands: His challenge,
"Come and follow me." From ev'ry side, With eager stride,
We form in the lines of victory. Let foeman lurk,
And laggards shirk, We throw our fortunes with the Lord.
Mary's Son, Till the world is won,
We have pledged you our loyal word.

Our hearts are pure, Our minds are sure;
No sin our gleaming helmet taints. No foeman fierce
Our shield shall pierce; We're Captained by God's
Unconquered saints. Yet peace we bring,
And a gentle King, Whose law is light and life and love.
Mary's Son, May thy will be done;
Here on earth as it is above.

Shown flanking Bishop Gorman to the left are Father John Przydacz, assistant to the pastor of Immaculate Conception Church, and the Most Reverend Victor J. Reed, D. D., over the Diocese for Oklahoma City and Tulsa. To the right of Bishop Gorman are Monsignor Edward V. DEDICATION SERMON

By

Most Rev. Victor J. Reed, D.D.

Bishop of Oklahoma City-Tulsa

PRAYER OF DEDICATION: O Lord Jesus Christ, Who didst command Thy Apostles to pray that peace might come to whatever house they entered, sanctify, we implore Thee, by our ministry this house meant for the education of youth. Pour into it the richness of Thy blessing and of Thy peace. May salvation come to those who live here as it came to the house of Zaccheus when Thou didst enter it. Command Thy angels to guard it and to drive away from it all the power of the enemy. Fill the teachers with the spirit of knowledge, wisdom and fear of Thee. Strengthen the students with heavenly grace so that they may grasp with their minds treasure in their hearts, and carry out in their deeds all the teaching that lead to salvation. May all here please Thee by practicing every virtue, so that they may one day be welcomed into Thy eternal home in heaven. Through Thee, Jesus Christ, Saviour of the world, Who lives and reigns, God, forever and ever. Amen.

WE

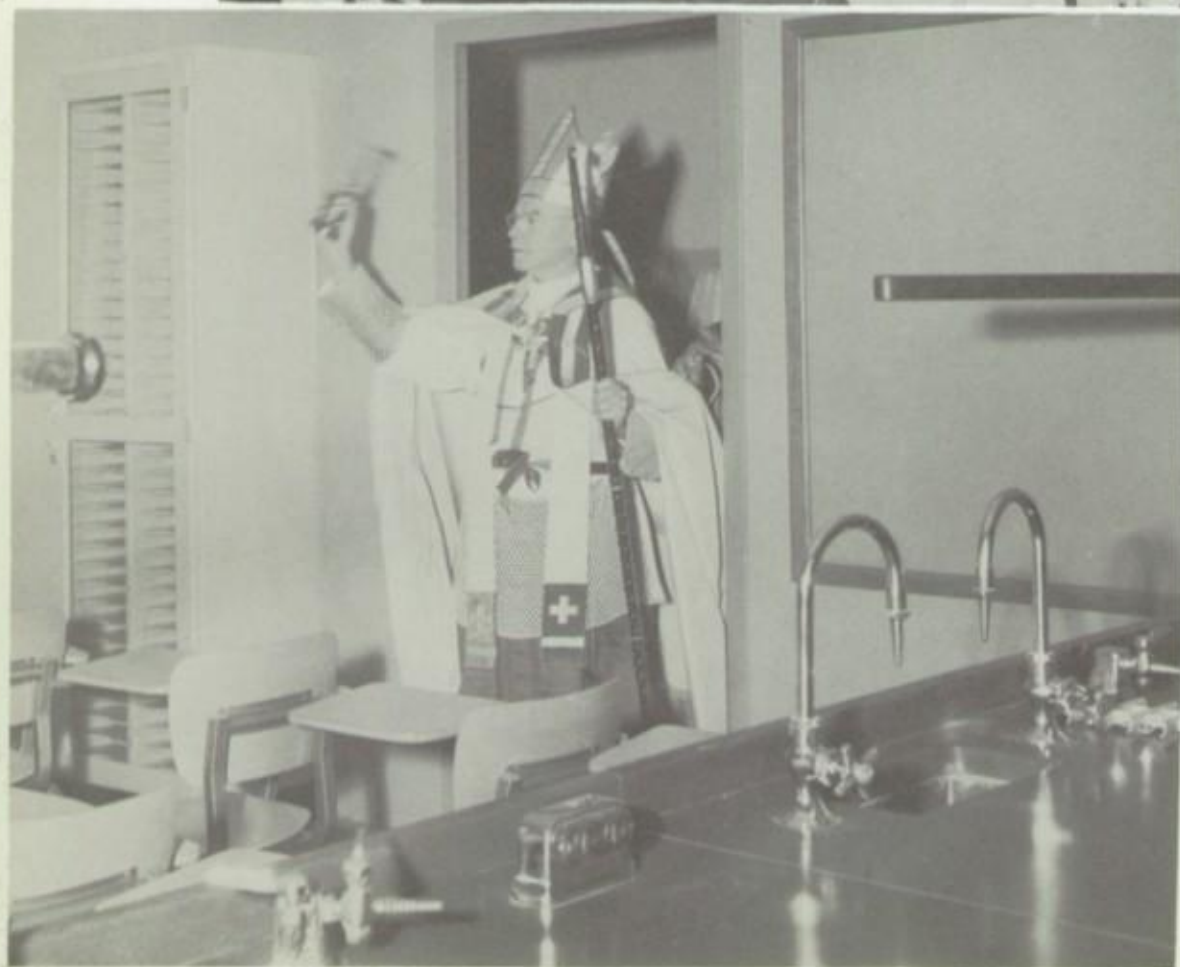

DEDICATE THIS CATHOLIC HIGH SCHOOL

GOD BLESSING ON THE GENEROUS DONORS
OF OUR SCHOOL.

Monsignor McCullough

Fr. Paul Higginbotham Fr. Jno. Przydacz

The first official act in the dedication of a Catholic institution is to erect in a place of honor a blessed crucifix. This indicates the reign of the Crucified Christ in that place. Bishop Gorman is erecting the crucifix in the foyer of the Catholic High School.

Bishop Gorman is addressing the audience in a talk on the need of Catholic education to offset the principles of secularism. Every Catholic child in a Catholic School is the goal of the Catholic Church of Tyler.

Every room receives a special blessing with holy water that God may bless every one who may enter therein. Bishop Gorman is imparting this official blessing to the science laboratories.

Blessing Ceremony at Catholic High School finds the Most Reverend Thomas K. Gorman, Bishop of Dallas-Fort Worth Diocese, blessing the main entrance as the ceremonial procession gathers in the background. Group directly behind the Bishop and Clergy is the Knights of Columbus. Altar boys precede Bishop Gorman and other members of the Clergy. They carry the Processional Cross and lighted tapers.

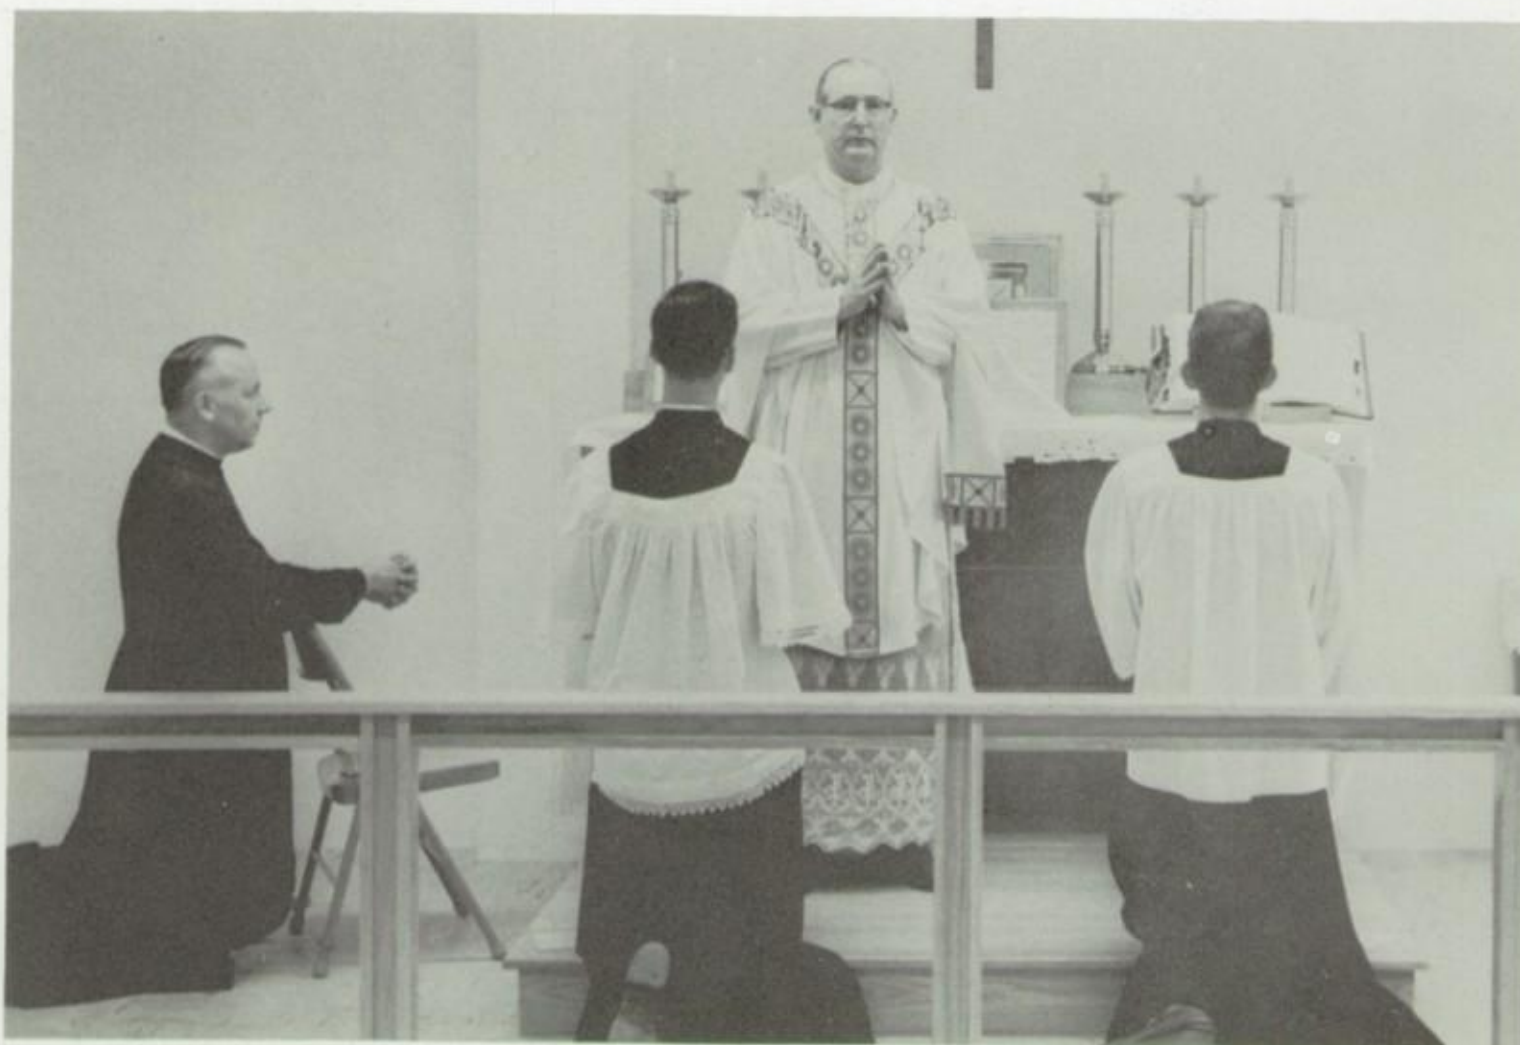

The Most Reverend Victor Reed, Bishop of Oklahoma City and Tulsa Diocese, is delivering the dedicatory sermon before a large group of Clergy, Nuns, and Parishoners.

Solemn Benediction followed the dedication ceremony. Here Bishop Gorman as celebrant is raising the golden monstrance in Sacramental Blessing over the attendants.

ORGANIZATIONS

Cross bearer and candle bearers, First Communion Class and elementary school pupils follow their shepherd, Very Reverend Monsignor E. V. McCullough, in solemn procession from Saint Gregory School to the Church.

MAY DAY CELEBRATION

In white and green uniforms the Catholic High students, headed by the flag bearer of the Crusaders' Banner, voiced their praise for Mary, their Queen, in prayerful hymns while wending their way to the Immaculate Conception Church.

May Crowning at Immaculate Conception Church

Before crowning Our Lady, the students of St. Gregory's and Catholic High joined their hands in prayer, presenting our Lady with her favorite prayer, the rosary. The students of Catholic High formed the living rosary, and at each prayer, placed a rose, symbolic of the mystery, in a vase, which was later presented to the Virgin.

Prefect of Sodality Crowns May Queen

While the students sang "Oh, Mary, We Crown Thee With Blossoms Today," Kathleen Peterschmidt, sodality prefect, placed a wreath of red and white roses on Our Lady, crowning her as Queen of May. The ninth and tenth grade girls, in formal attire, served as attendants.

Student Librarians

Keeping the students informed in this age of space, Mary Scheuerman explains the planetary system to her interested listeners.

March 16, 1959

Dear Students of Catholic High:

Every priest has a very special place in his heart for his home parish and I feel that my special place is even larger because my home parish is Tyler. Often I look back to the wonderful days of my boyhood and fondly reflect how much of my priestly pursuits have been crowned with success because of the basic and fundamental lessons and attitudes I received from the most wholesome and grace filled atmosphere possible to man - His Parish. The impression made on ones youth can never be eradicated and forms the basis for his entire life no matter how many be the number of his years or the number of miles that separate him from home. Hence with frequent prayers of thanksgiving and gratitude I look back to Immaculate Conception Parish from whose first happiness my priestly happiness increases each day.

To all the students of Catholic High School I wish the same blessings of youth that I so enjoyed and will always cherish. Always remember that your school and your parish is often what you make it. Stay close to them, cooperate with them for they are actual graces which will steady you during any future crisis. May Our Lady under her title of the Immaculate Conception stay always close to you with a watchful eye, a helping hand, and a kindly smile.

With the best of good wishes and prayers always I am

Sincerely yours in Christ,

Reverend Raphael Kamel

Dear Crusaders:

Yours is the great privilege of being the first to occupy the new Catholic High School. You are the first to benefit from the numerous sacrifices generously made so that you may receive a complete spiritual, intellectual, and physical formation. Your parents and teachers and priests are confident that you will use well your opportunities to become fervent Catholics and God-fearing citizens, of whom they can be rightfully proud.

With great admiration have I watched your school become a reality, and I welcome this occasion to offer you my very sincere congratulations. It is also my hope that I may soon become more closely associated with your magnificent school through the presence of some Brothers of Mary among your teachers. I pray that God may bless all of you and that our Blessed Mother may favor you with her powerful intercession.

February 19, 1959

Dear Students of C.H.S.:

During our day of recollection we reviewed together many basic truths of our Catholic Faith: The end of man, man's relationship to God, to his fellow men and to himself. We considered the many gifts of God to each of us as an individual, as a member of our wonderful family, as a student in a great High School and a citizen of the terrific City of Big T, U.S.A. We followed in the path of wise men of the past who said, "To be truly wise, 'Know Thyself'".

From our private space platform with our high powered telescope, we saw ourselves for the first time as God sees us and as those who deal with us see us. Then studying the personality of Christ and comparing our findings to ourselves, we learned how close we are to fulfilling our end, becoming Other Christs.

I sincerely believe that you are better prepared now to face the many problems that do come up in a teenager's life and intelligently solve them with the help of Monsignor McCullough, his excellent staff at C.H.S. and your wonderful parents.

It is my earnest prayer that you will grow more and more like your ideal, Christ. May God bless and Mary love you always as I,

Father Norman J. Rogge, S.J.

Parents Association

News Letter

IMMACULATE CONCEPTION PARISH SCHOOLS, TYLER, TEXAS

PARENTS ASSOCIATION FORMED

A new venture in Parish affairs came into being on Monday evening, September 22, 1958, at a meeting in the High School cafeteria.

A Parents Association was formed, By Laws were adopted and a slate of officers elected by 103 parents present at this first meeting.

Mrs. Betty Jo Finn, President of the Mothers' Club, conducted the meeting and outlined the reasons for the creation of this new association. She explained that our Parish now operates both a grade school and a high school with more students, more parents, more class rooms and more problems and the Mothers Club wanted to be sure that both schools would benefit from the hard work and long hours spent by the Mothers' Club and the Booster Club on school assistance activities. These two clubs have now merged and ask that all parents in the Parish join the new association.

The Mothers' Club has become the Mothers Committee and the Booster Club has become the Athletic Committee of the new association. The duties and responsibilities of both committees have been broadened to include both schools. In addition, there is a Program Committee to work for coordination of all Parish affairs, a Social Committee to work with the Student Council, a Publicity Committee and Transportation Committee and an Auditing Committee.

New Superintendent

To the Students and Parents of St. Gregory and Tyler Catholic High:

Catholic education in Tyler provokes a demand for your interest and co-operation in all the features that purport a well-balanced Catholic educational system. Parents and students must come to the realization that we are a private school destined to give distinctive guidance and direction, that the Catholic youth will need to face life and human living.

The pages of this annual is but the beginning of a complete system of intellectual, moral, physical and human development of the Catholic youth.

Be pleased, therefore, to honor our Catholic Schools of St. Gregory's and Tyler Catholic High.

Sincerely yours in Christ,

Mrs. J. Quirk's second and third grade combined their efforts to show the contrast between the first Thanksgiving and the way we celebrate today. Using various references to learn about the trip on the Mayflower, the children made Pilgrim dolls, cradles, and even the Mayflower in three-dimensions. Pictures were drawn to depict the homes, churches, food, and clothing of that period.

"Extra... Extra... Read All About It," could be heard coming from the classroom of Grade Two as the last article met the deadline for "The Second Grade Star." Under the supervision of Sister Alan Marie, the students collected pictures, labelled them, and placed them in the articles under their proper headings. The newspaper consisted of articles of every subject in the second grade curriculum, giving each child an opportunity to become an honorary staff member.
